><p>The Rose and the Flame!

I'm Rikki Chadwick, a young woman who also have a secret mermaid-life.

Most people would probably think of me as a bitch with a big fat ego who only care about herself, but while that's true in a way I've also got a soft female side.

I'm not afraid to say what's on my mind.

Yes, I'm a girl, but I'm not a girly-girl. If I need to I can kick som serious ass.

Don't ever freakin' tell me that I have to be more lady-like or something like that because if you do I'll knock you out.

Sorry. I'm not evil. If you're my friend I'm always there to keep you safe and happy.

If you want some beer or brandy, I can get it for you. If you need advice about sex, just ask me. I'm not shy one bit about my sexuality.

You think a girl like me can't get a boyfriend...

Wrong!

I'm dating Zane Bennet. Yes, Zane Bennet. The guy who I used to hate. Weird isn't it?

Zane actually understands me. He sees the real Rikki. He love me for who I really am.

I'll never be a cute little girly-girl. That's so not Rikki-ish.

I'm a cool, strong and sexy young woman.

I like to have sex and I enjoy being drunk. That's not lady-like, I know. I don't care if it's lady-like or not. I need sex and alcohol in my life. That's totally Rikki-ish.

There's so much more inside of me than what you see on the outside. I'm not an evil girl. I'm both a rose and a flame, as Zane once said.

So even if I appear all ego-like and bitchie on the outside, as long as you're nice to me there's no reason to be afraid of me.

I'm Rikki Chadwick and I love my life!

Bye!
